Dave Foote made opening remarks asking for volunteers for committee chairs and board positions. Please contact Dave as soon as possible.

Website: Kent Lundgren, our Webmaster, indicated that our current host is failing the club in a number of areas. The calendar is no longer feeding upcoming events, and the host is unable to make timely corrections and fixes to current problems. Kent suggested that we switch the host to Go Daddy. Kent also indicated that the webmaster should be in charge of the website, but not also be required to put together the newsletter. Kent indicated he would be happy to perform one of the jobs, but not both. An update will be forthcoming.

Dining update: Twenty-four members attended last month dinner at Fujiyamas. Tonight's dinner is being held at Murphy's and is being hosted by Dave Foshee. Marianne Burris hosted the November social dinner at the Palace Saloon and a good time was had by all.
